MARRIAGE BOOK A

THIS VOLUME IS THE PROPERTY OF

NOTES OF EXPLANATION

This Marriage Book Number 4 covers the period from February 1, 1850 to May 12, 1858 and for a nominal fee a certified copy of a Marriage Record may be secured from Mrs. Myrtle Shumpert, Circuit Clerk of Monroe County, Aberdeen, Mississippi.

Only one license is entered on a page but quite a few appear with the same numbers and this was due to the fact that the pages were hand numbered. The following pages have duplications: 129, 319, 320, 360, 380, 538, 622, 628, 682, 700, 716, 717, 718, 728, 746 and there are three with the number 525. I have designated them as A and B in this book as well as the original one in Mrs. Shumpert's office. The pages 525 are listed as A, B and C in the order they were entered. Several skips occured in the numbering.

I have included an Index to the Brides on pages 27 through 40 and the number preceding the name of the Bride is the page number in the original book.

I have inserted af ter the Marriage Record the genealogical information where a relationship is shown on the attached notes giving permission for issuing a license.
